## FOUNDATION DAY OF DURGABARI SOCIETY

The 14th of April is an auspicious and memorable day in the history of our Durgabari Society.

On this day in 1975, our society was officially registered under the Societies Registration Act, 1860. Therefore, this day can truly be regarded as the Foundation Day—the birthday of this esteemed Bengali institution.

Just as we celebrate Poila Baisakh, the Bengali New Year, it is equally important for all members to come together and celebrate this special day with pride and unity. It is a time to reflect on and appreciate the dedication and hard work of our fore-fathers, whose vision and efforts laid the foundation of this society.

We should also take this opportunity to pay our heartfelt tributes to those মহান ব্যক্তিত্ব (great souls) who contributed to building and nurturing this institution.

In 2010, Durgabari Society proudly celebrated the Golden Jubilee of its Durga Puja Samiti— a milestone that reflects its enduring legacy and cultural significance.

I sincerely urge our younger generation to actively participate and strengthen this institution with their heart and soul. This society is not just an organization—it is a cultural home where our children can learn, cherish, and carry forward the rich heritage of Bengali traditions.

Let us all unite to preserve and enrich this legacy for generations to come.
